HMRI has a tradition of creating benchmark events which is repeated through the introduction of the HMRI Cup Yacht Race.

This event is a fantastic opportunity to entertain clients, staff and guests. Spend time sailing on the beautiful harbour, then sit back and enjoy the breath taking views from the Newcastle Cruising Yacht Club, be entertained by some contemporary jazz and enjoy a relaxing casual gourmet lunch with your crew, all in the name of medical research.

The race will be a non-spinnaker (two sail only) race to accommodate for the fact that most crews won't be experienced. This creates a fun, safe, exciting experience.

Sail out past Nobbies into the Pacific Ocean, before rounding the buoy and racing back to the NCYC. Some of Newcastle finest yachts are being donated for the day, with crew who have sailed the oceans of the world. Part of the fun is seeing which yacht and crew your team will draw! Let the race begin!

We would like to invite your company to be a sponsor of the inaugural HMRI Cup.

Please find below the itinerary for HMRI Cup.
