SADDINGTON'S Quick and Dirty Boat Building Competition

- Each team will be supplied with the following materials:
- Three tubes of adhesive
- One 1200 x 1200 x 7mm structural grade plywood
- Two 2400 x 1200 x 7mm structural grade plywood
- Six lengths 3000 x 50 x 25 DAR timber
- Contestants supply their own fastenings and product for decoration
- No cordless power tools are permitted with the exception of one drill
- Plans are allowed but no patterns or templates
- Two person team minimum
- Paddles or oars are to be made from the materials provided
- Build time allowed is two and a half hours
- Life jackets to be worn in the race & must be supplied by the participants
- Boats must be designed to carry the build team around the course by paddle or oar
- Registration and waiver form must be completed

Contestants will be disqualified if they deliberately sink someone prior to completing the race

All participants will adhere to Occupational Health & Safety regulations. In particular, participants are not allowed to consume alcohol or other substances that may impact on safety. The judges reserve the right to exclude anyone whom they believe to be intoxicated or otherwise affected in their capacity to compete.

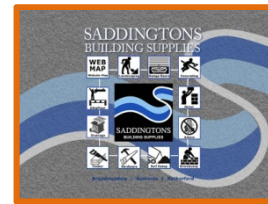

The winning boat will be available to the sponsor for 1 month after the Festival for display purposes.

The race course will be devised by the Maritime Authority.
