

Academy Graduates Development Regatta

We are excited to welcome you to join us on the Harbour for the 2022 edition of the Academy Graduates Development Regatta in the Club's fleet of Force 24 inshore keelboats.

The event will bring together fellow graduates of the Sailing Academy and support your transition into the racing environment whilst creating friendships and an atmosphere which ensures that all competitors' sailing experiences are fun and rewarding.

Six crews, formed from individual registrations, will be supported by our Academy Instructors to guide and encourage crews to swap roles (including helming) during the regatta – providing opportunities to develop skills in all areas.
