

SheSAILS@NCYC Development Regatta 2024

Join us March 2nd & 3rd on the Harbour for the annual SheSAILS@NCYC Development Regatta in the Club's fleet of Force 24 inshore keelboats.

The event aims to bring together female graduates of the NCYC Sailing Academy as well as training graduates from other local club women's sailing programs. We're aiming to support a guided transition into the racing environment all whilst creating friendships and comradere to ensure that all competitors' sailing experiences are fun and rewarding.

Academy graduate crews will be formed from individual registrations and will be supported by one of our Academy's Skippers – crew members are encouraged to swap roles (including helming if interested) during the regatta, providing opportunities to develop skills in all areas.

The event is run over two days with a Training Session and a Racing Session. NCYC Academy graduates and invited club team can choose to sail in either the morning or afternoon program.

The Training Session on day 1 will allow newly-formed crews to practice and work on their boat handling & teamwork. This will then be followed by a Racing Session on day 2 to enhance the training and offer an opportunity to participate in a full racing experience.

NOTICE OF RACE
